Canada, the Churches, and the *UN Declaration* videos now available

As part of the [Faith in the Declaration](#) coalition, we helped organize the very popular event *Canada, the Churches, and Bill C-15*. Ever since, people have been asking if videos will be available. The wait is now over. You can watch key moments from the event as a playlist on Youtube in [English](#) and [French](#).

On peut trouver des vidéos des faits saillants de la soirée comme liste de lecture sur Youtube en [français](#) et [anglais](#).

We were also signatories on an open letter published in *The Hill Times* together with 175+ Nations, organizations, experts, and activists showing their support for Bill C-15. Read it at: <https://declarationcoalition.com/blog>

Addressing Conflict amongst Friends

Addressing Conflict amongst Friends

[Addressing Conflict amongst Friends](#) (PDF) is a new resource jointly produced by Canadian Friends Service Committee and Continuing Meeting of Ministry and Counsel.

Written specifically for Quaker Meetings, it highlights common points of tension and conflict, addressing both the challenges and opportunities for growth and deepening of community that conflicts can present if navigated with care. We welcome feedback on this resource and are available to facilitate skill-building workshops for Meetings upon request.

Interactive workshop series begins March 24

The next round of our popular interactive *Are We Done Fighting?* workshop series begins March 24, 6-7:30 pm Eastern. You can join us for free. Past participants have said:

“Get ready to think in new ways with respect to conflict.”

“The book and the course itself was FAR MORE than I had anticipated. The facilitators were knowledgeable, sensitive, and supportive. I am sad it is over.... It was so wonderful.”

“Expect to wrestle with some new ideas and to engage both your heart and head.”
