### Video now available: **UN Declaration Implementation in Canada**

We helped put on a side event during the UN Expert Mechanism on the Rights of Indigenous Peoples in Geneva. At the event four expert panelists discussed the law that Canada passed last year, the *UN Declaration on the Rights of Indigenous Peoples Act*.

The *Act* began a process of implementing the Indigenous human rights expressed within the *UN Declaration*. Find out how these experts think Canada is doing with this implementation, and what still needs to happen: <https://youtu.be/6Foz-3WUqjc>

**“CLIMATE CHANGE**  
is happening now & to all of us.  
No country or community is  
immune & as is always the case,  
the poor & vulnerable are the  
first to suffer & the worst hit.”

UN Secretary-General António Guterres

**Join KAIROS in taking action this  
September for Climate Action Month**

Canadian Quakers are one of the founding members of the ecumenical justice organization KAIROS. KAIROS invites you to engage in its 4th annual Climate Action Month in September.

KAIROS will be sharing multiple resources and hosting a webinar on September 13 featuring the KAIROS/For the Love of Creation delegation that will be going to the COP27 climate change conference in November. **One easy change in perspective can  
deepen your understanding**

You know who you are and what you stand for. And sometimes that's just miles away from what your partner, co-workers, or family members stand for or care about. Or is it? One simple tool will help you find out. And this knowledge might surprise you... [Keep reading this article on Psychology Today.](#)
